How you got to know this person:

There are many different ways of getting to know someone. Whether you live with this person, share a bedroom, live down the street, go to church together, go to school together, or play on the same sports team, in order to get to know someone, you need to spend time with them.

Just as we must spend time with people to get to know them, we must spend time with God if we are to truly know Him. We already learned that the Bible is God's Word. It teaches the truth about God. So, if we want to know God, we must spend time reading His Word.
