Worldview

Fact Sheet

Our Story

After teaching in a Christian school for 10 years, our founder realized her students thought more like culture than Christ. Foundation Worldview was started in 2018.

Our Founder

Elizabeth Urbanowicz (er-ban-o-wits) is a follower of Jesus who is passionate about equipping kids to understand the truth of the biblical worldview. She holds an M.A. in Christian Apologetics from Biola University.

Our Mission

Foundation Worldview exists to equip Christian adults with the resources they need to train children to soundly interpret Scripture, carefully evaluate every idea they encounter, and understand the truth of the biblical worldview.

Our Message

The Christian youth exodus can be a thing of the past. When kids are equipped to soundly interpret Scripture, they will quickly develop a biblical worldview. When kids are taught to think well, they can carefully evaluate the messages they are exposed to each day.

Our Resources

We create digital content (webinars, curricula, blogs, book clubs, etc.) that equip Christian adults with the resources they need to disciple the next generation.
